Career and Work Experience

Moonton Student Leaders Philippines

Taguig City, PH
Sep 2020–Feb 2022

Community Manager

- Managed and grew a school-based community reaching 400+ members, fostering a positive and engaged student environment.
- Organized and executed more than 30 online campus events, boosting student participation in Moonton-related activities.
- Acted as a direct liaison between student leaders and Moonton, facilitating clear communication and resource allocation.

Database Manager

Feb 2022–Aug 2022

- Designed and maintained a centralized database for student information.
- Ensured data integrity and security for records of 10,000+ student members across the Philippines.
- Developed and implemented data entry protocols, resulting in a 99%+ accuracy rate for all stored information.
- Generated insightful reports from database queries to support strategic decision-making for leadership programs.

Administrative Assistant

Aug 2022–Nov 2023

- Streamlined administrative processes by creating digital filing systems, reducing manual workload by 70%.
- Coordinated and scheduled meetings for a team of 10+ managers and officers, ensuring all key stakeholders were aligned.
- Managed correspondence and documentation for all national-level projects, maintaining organized and accessible records.

Partnerships Development Officer

Nov 2023–Jan 2024

- Identified and secured 10+ new partnerships with student organizations.
- Cultivated and maintained strong relationships with partners, leading to collaborative events and resource sharing.

Network Development Head

Jan 2024–Aug 2024

- Coined and expanded the Moonton Student Leaders Network by establishing connections with 30+ new school organizations nationwide.
- Strategically identified and recruited key student leaders to represent their respective regions.

National Admin for Partnerships

Aug 2024–May 2026

- Oversaw all national partnership initiatives, managing a portfolio of 70+ ongoing collaborations.

- Directed a team of regional officers to ensure consistent and effective partner engagement.
- Developed and standardized partnership protocols and reporting systems, enhancing organizational efficiency.
- Developed custom Google Apps Scripts (GAS) to automate document generation and reporting, reducing manual data processing time by 70%.
- Campaigns spearheaded:
 - Mobile Legends: Bang Bang 8th Anniversary (CELEBR8) Celebration
 - MPL Philippines S14 Watch Party for Luzon
 - M6 Watch Festival University Edition
 - Golden Month Celebration
 - MPL Philippines S15 Watch Fest for Luzon, Visayas, and Mindanao
 - AllStar 2025
 - MCC S2 Watch Festival
 - OPPO Campus Roadshow
 - Friend Fest 2025 University Edition

UP Oblation Esports

UP Diliman, QC, PH
Nov 2022–Jul 2024

Head Analyst

- Identified key opponent tendencies through deep video-on-demand (VOD) review and data mining, leading to successful counter-strategies.
- Utilized and created analytical tools to track player performance metrics, informing strategic decisions and player development plans.

UP Gaming Guild

UP Diliman, QC, PH
Mar 2023–Aug 2024

Resident Member

- Participated in and contributed to weekly guild meetings and gaming events, fostering a strong sense of community.
- Collaborated with fellow members on various in-house projects, from game reviews to event planning.

Philippine Society of Youth Science Clubs

UP Diliman, QC, PH
Feb 2024–present

Marketing Associate

- Secured corporate sponsorships for key events, generating over ₱800,000 in funding for a national science competition.
- Coordinated with external vendors to produce high-quality promotional products, ensuring brand consistency and cost-effectiveness.

UP Kugihan

UP Diliman, QC, PH
Feb 2024–May 2025

External Relations Head

- Initiated and established strategic collaborations with 5+ other student organizations, expanding project reach and impact.
- Secured over ₱80,000 in sponsorships from local businesses, fully funding two major organization-wide projects.
- Developed and maintained a network of key contacts, fostering long-term relationships with external partners.

UP Esports Varsity Team

UP Diliman, QC, PH
Aug 2024–May 2025

Head of Marketing

- Spearheaded the successful launch of the team's social media presence, growing a dedicated following of 2,000+ in 1 week and establishing a strong brand identity.
- Directed a merchandising campaign that generated over ₱150,000 in profit from the sale of 200+ jersey units.
- Secured five corporate sponsorships by developing and pitching compelling marketing proposals to various brands, securing crucial funding and resources.

Vice Chairman

Oct 2024–May 2025

- Oversaw the administrative and strategic operations of the entire organization, supporting the Chairman in achieving key goals.
- Represented the organization in official capacities, building and maintaining relationships with university officials and external partners.

Team Manager for Mobile: Legends Bang Bang

Oct 2024–May 2025

- Coordinated practice schedules, scrimmages, and tournament participation, ensuring the team was consistently prepared.
- Acted as a liaison between players and coaching staff, facilitating effective communication and resolving internal conflicts.
- Managed player well-being, ensuring a healthy and supportive team environment conducive to high-level performance.

miHoYo

Discord Moderator

Razer Sea HQ, SG
Oct 2023–Dec 2024

- Enforced community guidelines for a Discord server of 100,000+ members, ensuring a safe and positive environment.
- Resolved conflicts and addressed member inquiries effectively, reducing support tickets and enhancing member satisfaction.
- Collaborated with an international team of moderators to review and approve server content, maintaining a high standard of quality and relevance.
- Supported official community events by moderating live chats and providing real-time assistance to participants.
- Provided consistent and timely feedback to community managers on member sentiment and recurring issues to improve server management.

Dark League Studios

Project Manager

Quezon City, PH
Oct 2024–Jun 2025

- Managed the end-to-end execution of 4 major esports tournaments, from initial planning to post-event analysis.
- Coordinated cross-functional teams of up to 30 people, including creatives, talents, and production staff, to ensure seamless event delivery.
- Developed and maintained project schedules and budgets, ensuring all projects were completed on time and within financial constraints.
- Acted as the primary point of contact for all stakeholders, including sponsors and partners, to ensure their objectives were met.
- Analyzed post-project data and feedback to identify areas for improvement, informing strategy for future events.
